**Subject:** update 30 September

Hi everyone,

I just wanted to give you an update on what has been happening. First – God’s faithfulness has been evidenced in incredible ways as He is meeting all of my financial needs at the moment. Thank you to anyone who has been a part of that! I have been asked over and over where I stand financially (what I have lost and how much I need) and I’m not sure I can give a definitive answer right now. I think the details will become more clear as I see what monies are available as people and churches begin sending their support to the new address. I am so thankful for my home church pastor who has worked at reaching many people in the USA to help them understand what has been happening and how they can help. I am also thankful for the positive response I have received from people regarding this whole situation. One of the great advantages to have so many churches and individuals supporting me is the huge amount of prayer support! Thank you for praying.

The new identity of Bethesda in the USA is “**Bethesda Outreach Ministry International, Inc.**” All the needed infrastructure is now in place for them to begin receiving and dispersing funds for salary and ministry reimbursements. The last remaining piece is for all monthly support donations to begin to be sent to the new Bethesda address. Please note that since all of the infrastructure is just a few weeks old, there is not capacity on Bethesda’s part for automatic withdrawals or credit card donation. Work is in process electronic funds transfers in the future, but for now you will need to mail your support to the following address: You will need to indicate on a separate piece of paper who the money/check is intended for.

**Bethesda Outreach Ministry International, Inc.**  
**P. O. Box 2429**  
**Elkhart, Indiana**  
**46515-2429**  
***Checks should be made out to BOMI or Bethesda Outreach Ministry International, Inc.***

Another important detail for you to take note of is that my ebm email address will not work after this Friday, 2 September. Please make sure that you change my email address.

OLD ONE ☹: [rrising@ebm.org](mailto:rrising@ebm.org)

NEW ONE ☺ (have had it for a while but will be my ONLY email address at the moment):  
[rrising@boi.org](mailto:rrising@boi.org)

Please continue to pray that I will respond in ways that brings glory to God. There are many people who are watching to see how I and others in this situation handle it – and while I want to handle this in a way that helps to strengthen their faith, I want God to be given glory for how He works out this situation.

Serving Christ,

Ruth
