May, 2010

Dear Friends and Fellow-Helpers,

Greetings in Jesus' Name. We thank you for your prayers for God's ministry in and through our lives. This has been a busy month and we have many specific answers to prayer to share with you.

1. We thank God that He continues to send in the financial support we need to serve Him. We still have many supporters that have continued with us down thru almost 40 years, as well as some new ones, and we are very thankful.
2. We thank Him for health and strength for continued service.
3. We thank Him for our 19th grandchild. Ray and Jenn announced the birth of their fourth child, Nathan John, 8 lbs 7 oz. the 7th of May. Jennifer had a very difficult pregnancy, but the Lord brought them through.
4. We thank Him for good progress in many of the projects that BI is translating. We have one of the Indian translators of the Manipuri Bible, Tomba Singh, in our office for a bit, helping in the formatting of that Bible. It is a difficult job, since they do not use the Roman alphabet, but the task is moving forward well.
5. This month we will be presenting their Bible to the Waali people in Ghana. This will be a great day, for they have waited a long time for this day!

Activities:

We took a week-long trip to Northland University (NBBC) to represent BI for their missions conference. How good it was to be on a campus where there is so much interest in not only "holding fast the faithful Word of God" but also in challenging their students that God is STILL doing wonderful things on the Mission Field and that there is still a great need for His children to step out and do His will.

Quite a few of my books on "Wine in the Bible" have sold, and we have received some nice echoes of its need and its utility. We are very much concerned with the wide-spread apathy on this subject by Christians, who do not seem to be troubled that almost 150,000 people in the USA died last year as a direct result of alcoholic beverages, and yet more and more Christians start to drink each year and more and more Christian Bible Schools defend this practice.

We are planning our activities for the summer, which will include 3 Bible Conferences. Please pray for safe trips and profitable for Bibles International and for the Lord. Pray too for the need of funds to produce 9 more Bible translations projects that are nearing completion. We are happy that some of our supporters have become donor-partners of Bibles International.

Your missionaries for Jesus' sake,

Richard and Nancy Teachout
