July, 2010

Dear Friends and Fellow-Helpers,

We greatly appreciate each of our friends who helps us in our life and ministry, either by praying for us or contributing towards our support. We can say at this end-of-July 2010, as we have said a great many times, "the Lord has done great things for us, for which we are very glad". Here are some news items:

Nancy's operation. We appreciate all the cards and notes we have received. She came through the operation well and has had good healing. It has greatly reduced the pain from the pinched nerve in her neck and we hope and pray that the residual pain which she still has will soon stop.

Good conferences. We did quite a bit of travelling in late June and early July, presenting Bibles International in two national conferences. We are happy to report God's protection, mercy, and help in this work.

New sending church. The Lord has led us to a new church home, First Baptist Church of Newaygo, a town 25 miles from Coral. We praise God for the fellowship and friendships we have experienced, as well as the ministry of the church in our lives and the opportunity to minister. The church had a commissioning service for us that was a real blessing. Richard is enjoying the privilege of teaching Daniel in Wed. Evening Bible Study.

Vacation. We had one week of vacation in July and Randy and Kari and their 3 children visited us. At times we had 8 grandchildren and their parents around our place (Pam and Todd live not far from us). It was very good to have so much of the "bitter patter of little feet" around!

Bibles International. The biggest activity around our offices has been a 10 day consultants seminar. Every year we bring home from the various fields in which BI is working as many of our consultants as we can for an intensive training period. Those pictured here have worked on translation projects in 16 different countries on four continents. We praise God for His protection for them and for the good work they are doing.

Urgent Prayer Request. We need your urgent prayer for the financial situation, not only for the country as a whole, but also for BI's ministry. We depend on our regular donors and those that volunteer to help us in provide for special translation projects. Our incoming gifts are presently way down, at a time when expenses of printing and publishing finished projects is much higher. We will covet your prayers.

Your missionaries for Jesus' sake,

Richard and Nancy Teachout
