Dear Friends and Fellow-Helpers,

We have had some blessings from our Lord to pass on to you. First, we have a new grand-child, which makes number 19. You can also pray for number 20 who is scheduled to make his or her appearance in September. Nathan (#19) arrived and his parents are happy to report that he is doing well. His mother was very sick for much of her pregnancy, and much prayer went up for a successful conclusion, so this was a special blessing. His parents, Ray and Jen, are missionaries in Quebec, Canada.

We received 2 other special blessings in relation to our ministry, with Bibles International. We have great cause for rejoicing for two of our Bible translation projects. The Waali Bible was presented to the Waali people last week. This was a very special project for several reasons: it has been 35 years since translation first started; many Waali churches exist now who have been eagerly awaiting the finished product; the Waali Bible is the only book in the Waali language; and most of the translation was done by a man who was paralyzed after graduating from High School (picture at left being thanked by BI Director, Hantz Bernard).

The second was the formatting of the Manipuri Bible. Since it was not in the Roman alphabet we had to have help from India, Tomba Singh spent 6 weeks with us. But it is finished and going through the final read and review process to assure a good text for publication.

We will appreciate your prayers for safety in travelling and grace in ministry as we have several trips scheduled.

Your missionaries for Jesus' sake,

Richard and Nancy Teachout
