Dear Friends and Fellow-Helpers,

Greetings in Jesus' Name. We appreciate every single one of our friends who pray for us and for our ministry. We are especially thankful to those who give faithfully that we might continue to serve our Lord full time.

This last month has been very "interesting". The schedule and program of Bibles International has continued at a good pace, but at home things have been difficult. Nancy went through 3 weeks of issues with her back which included 3 trips to emergency and a great deal of pain. We are thankful that at present she is feeling a great deal better. We will appreciate your prayers. She will be seeing a new neuro-surgeon to find out what has been happening and what needs to be done.

During 3 days in August we had our annual BI Field Conference, which permits us to come "apart" for a time of relaxation and fellowship. Our Grand Rapids staff members and consultants plus translators and representatives from all over the world were able to come (pictured at right). It is also a working time of looking back at last year's ministry and looking forward to the coming year. Fortunately the place where we met was about 30 miles from our home so I was able to commute, since Nancy was not able to come.

For the next month, those of us at BI headquarters will be working in different ways. Some will be flying to the Chad, West Africa, Myanmar, India, and South America. Some will continue to work at contacting donors and at administration tasks. Some will prepare for our annual Harvest Banquet, which will take place the 21st of October. There are a great many things to do to prepare for this. We will have around 600 friends of BI at that Banquet and we will present to them the needy translation projects of the Chad. Pray for all our team. Pray too for BI's financial needs. We have many projects which are drawing near to printing and distribution and that will of course require more incoming gifts.

Please continue to pray for Nancy and me. I am flying to Phoenix for a missionary conference in a supporting church. This visit will permit me to see Robert and Nicole and their family. Pray too for Randy and Kari. Our 20th grandchild is scheduled to join their family very soon.

Your missionaries for Jesus' sake,

Richard and Nancy Teachout
